Subject: Letter of Reference

To Whom It May Concern;

Mr. Kevin Stump of Hardrives Construction, Inc. has asked me to provide a letter of reference, which I am happy to do.

I had the pleasure of having Hardrives Construction do a chip seal and concrete street project for the City of Wolf Point this last summer. They worked very well with the motoring public of Wolf Point. I had no complaints from anyone about their work. I found that Hardrives Construction performed the work on time, in a safe and professional manner, with quality workmanship. Kevin Stump was very concerned that the City was happy with the project. I would recommend Hardrives Construction, Inc. for any future work.

If you have any questions, please feel to call me at (406) 653-1852 ext. 5.

Sincerely,

Director of Public Works  
City of Wolf Point MT
